17. Being troubled with these imputations and considering with himself, there being no occasion of calamity in time of peace and the Lacedaemonians thereby recovering their men, that he also should cease to be obnoxious to the calumnies of his enemies whereas, in war, such as had charge could not but be quarrelled upon their losses—he was therefore forward to have the peace concluded. [2]

My subject seems to require of me, in this place, a brief account of the situation of Africa, and of those nations in it with whom we have had war or alliances. But of those tracts and countries, which, from their heat, or difficulty of access, or extent of desert, have been but little visited, I can not possibly give any exact description.

CHAPTER 17. World War I: The First Three Years . As the armed camp that Europe had become by the summer of 1914 approached the point of explosion, the United States was markedly unprepared for any role that a European holocaust might create for the New World. Nor was there any widespread agitation to alter that situation, for despite the nation's increased involvement in world affairs, most ...
